Dear Praying Friends,

May, 2011

We are gearing up for our Vacation Bible School program this summer, which will be June 20-24<sup>th</sup>. The theme of the VBS this year will be Survival Quest 2011. The lessons will revolve around survival in emergency situations and will include proper mental preparation, water purification, foraging for food and food preservation, and land/map navigation. Each nightly theme will be an object lesson for the Bible study and spiritual application. The Brighton Fire Department and Seminole Police Department will be incorporated into the program each night, many of these men and women are unsaved and they will be hearing the gospel along with the children and adults who attend. We are also excited about several tribal/church members who will be teaching and assisting in the program. The young people of Baymeadows Baptist Church from Jacksonville, Fl. will be traveling down on a missions trip and lending a hand in the program. Dale and Ethel Baker will be returning for the fourth straight year. Dale will be the nightly speaker. Please pray for good weather because most of the activities will be outside and that time of the year tends to be very rainy.

Faith Bible Institute has just completed its third full year and we are so thankful to have five graduates! This fall we would like to turn the directorship over to one of the current students at Brighton as we begin to look into the possibility of starting another FBI class at the Fort Pierce Reservation. Please pray with us regarding this ministry and also that God will provide additional support for us since the price of gas is so high and we have to travel long distances to do ministry.

God continues to bless in the jail/recovery ministry in many personal counseling sessions as well as group ministry. It is a great privilege to see the Holy Spirit enlighten hearts and minds that have been struggling with drugs and alcohol for many years.

We want to thank each of you for your continued prayers and support. We ask for your prayers for protection on the roads as well as safety during the upcoming hurricane season. We are thrilled that our people are making plans to assist the tornado victims in Alabama this summer! We will give more details on this in our next letter.

For Christ and the Seminoles,  
Bill & Laurie Blomberg
