Dear Friends,

Carolyn and I have had the opportunity to attend several awards ceremonies the last few months. What an incredible experience to see the excitement of the church, Awana Leaders and particularly the clubbers when they realize how many verses they have committed to memory during the Awana year.

One of my churches had a wonderful way to illustrate it. They made paper link chains-light blue for Puggles, royal blue for Cubbies, deep red for Sparks and bright green for T&T. Each link represented a verse memorized and they were strung across the sanctuary. What an awesome sight! It really helped the church to understand what goes on in Awana!

Yesterday I had a phone conversation with Dr. Rob Rienow, keynote speaker and workshop leader for the 2011 Awana Ministry Conference. Let me share with you the titles of his General Sessions and Workshops.

- General Session 1 - Sufficiency of Scripture (The Power of the Bible) AWANA's Foundation.
- Workshop 1 - Helping Awana Parents Disciple their Children at Home
- Workshop 2 - Visionary Fathering (Teaching Father's how to fulfill their God Given Roles.)
- Workshop 3 - When They Turn Away (Encouragement with Biblical principles for parents and grandparents whose children have left the church.)
- General Session 2 - Visionary Marriage (The greatest gift you can give your children is a strong marriage.)

That is just the beginning. We have several new workshops and of course some of our all time favorite workshops will be available. Without a doubt, I believe this will be the most significant, life changing Awana conference ever! (Go to www.ngawana.org to register online)

Thank you so very much for your support for April and May, 2011 of \$180.25. Your faithfulness during these tough economic times enables us to get the gospel out!

May God bless,
