Dear Faithful Friends & Co-Laborers of GBC,

Greetings to you all from the Kingdom of Cambodia! Where Christ is being proclaimed & made known among the Nations.

We have found May and June to be very busy months for us here in Cambodia, but extremely rewarding ones to say the least. Robin & Ashley returned safely from the U.S. on May 11, after attending a couple of speaking engagements, and spending valued time with family & friends. On May 11-13, we held the Annual Missions Conference of Grace Baptist Church of Anlong K'ngong. Bro. Valdez did a wonderful job with the theme & agenda of the conference, and the Lord graciously blessed each night with more than 150 in attendance. Please help us pray for spiritual growth in the area of faith promise giving among our congregation at GBC. Bro. Quiruz, a fellow Filipino Missionary, also held one of his church's annual missions conferences on May 16-18. I had the privilege of preaching & supporting the opening night of this conference, as well.

Our school year is quickly coming to an end, with only four more weeks of classes remaining for our AIC Christian School & CBBC Bible Institute. Plans & preparations are now underway for the year ending AIC Awards Banquet & CBBC Graduation, to be held on July 5 & 12, respectively. We are excited for the potential eight graduates of CBBC, and looking forward to working with them, as they pursue the ministries they believe God is calling them to. With the ending of the school year, always comes Summer Youth Camps. Our youth camp will be held on Aug. 8-11. We have been working diligently in our plans & preparations for the camp, and just completed a one day leadership training camp, where we were able to spend some bonding time with our camp leadership team. We are praying the Lord will give us 600+ young people in attendance this year.

We are truly excited & grateful for the opportunity the Lord has given us to begin an evangelistic feeding ministry in the Province of Kandal. This ministry will be under the umbrella of La Ve Em Baptist Church, pastored by one of our Khmer pastors, Bro. Kunthy. The kitchen is currently under construction, but Lord willing, should be completed by months end. The Lord has so graciously provided the necessary resources for us to not only build the kitchen, but to be able to minister to the physical & spiritual needs of 50 children and their families on a weekly basis. GOD IS SO GOOD! Please join us in praying that we will see many of the children & their family members

Come to the saving knowledge of the Lord Jesus Christ.

There are so many things to praise the Lord for & to pray about, I don't believe I can go into detail about them all without making this letter longer than I would like. Therefore, I will simply bullet point them & ask that you would continue to pray with us on the matters:

- Continued spiritual growth of our family
- Our families safety & good health
- Physical & spiritual well being of our supporting churches & families
- Spiritual growth of the Khmer churches & pastors
- Effective & fruitful Gospel Tract distribution
- Robin's Leadership in ladies weekly Bible study & children's puppet ministry
- Establishing relationships & witnessing opportunities
- Weekly discipleship & training classes with our Khmer pastors & church leaders
- Our studying & grasping the Khmer language

Without your faithful prayer & financial support, we know we would not be able to enjoy the blessings and reap the benefits of serving the Lord here in Cambodia. With great gratitude & humility, we thank you for the sacrifices you make on behalf of our family & the Cambodian people. I know your rewards in Heaven shall be great!

BY HIS GRACE – FOR HIS GLORY!

THE FLANAGANS (Todd, Robin, Ashley, Jesse, Jacob & Jackson)
