

You Can Make A Difference!

Paulding Pregnancy Services Outreach Opportunity

June 2011

DID YOU KNOW?

One out of every three women in America has experienced an abortion.

42% of women who have had an abortion may have two or more in the lifetime.

1.5 Million babies are aborted annually - in the United States alone

Every 30 minutes in the United States, 22 teenagers will have an abortion

Only 1% of all abortions occur because of rape.

Every abortion stops a beating heart.

"We are not the healers, we are not the reconcilers; we are sinful, broken and vulnerable people who need as much care as anyone we care for.

The mystery of ministry is that we have been chosen to make our limited and very conditional love the gateway for the unlimited and unconditional love of God."
