# LIFEGATE BAPTIST CHURCH UPDATES CAMBODIA

1<sup>st</sup> Quarter 2011

Dear Partner in Missions,

Warm greetings!

We praise the Lord for your continued financial support and prayers to our ministry.

Currently, we have a great need that we've been praying for God's timely supply. I challenged the church to keep trusting the Lord but trusting Him when help is needed the most is what made the difference of our church members.

For more than a year of prayer, finally, we have the copy of the land title of Haley's House which is very essential to have a government water supply connected since the water we were using has an arsenic contamination. We rejoice! But what excites us more for this quarter, was for those Cambodians who drank the Living Water, the Lord Jesus Christ. What a blessing to see our children's involvement in "Soul Winning". There were 83 souls who made professions of faith. GLORY TO GOD!

Our heartfelt gratitude for our partnership.

Makkus was 14 years old when he stayed with us, now, he is 19 y.o. and is actively involved in soul winning. He is sharing the gospel to these old men which is unusual for a young Cambodian to do. With God nothing is impossible....

Daniel leads our soul winning

Prayer request – 1. More members involve in soul winning 2. Protection 3. Good health and strength
